

QUALITY GOALS
of Foundation faculty for the 2024–2025 academic year

Directions	Achievements
Career guidance work	<p>Recruitment by faculties for the 2024-2025 academic year: bachelor's degree - 2641, master's degree enrollment - 196, doctoral degree enrollment – 40. Educational grants from the public fund “Kazakhstan Khalkyna”: 25 candidates were selected, passed the competitive selection process and became winners of this grant. Under the terms of the agreement, the foundation pays the cost of training for each applicant and pays a monthly stipend in the amount of 40 thousand tenge. Toraighyrov University Grants:</p> <p>According to a letter from the Assembly of the People of Kazakhstan, the University awarded grants to 3 applicants. During the academic year, 30 grants were awarded to the winners of subject Olympiads, of which 10 people took advantage of TOU grants. TOU grants were allocated for those who served compulsory military service; 15 people took advantage of them. 16 applicants from socially vulnerable segments of the population received grants, these are children without parental care, disabled people and applicants from families raising disabled children. Thus, a total of 43 grants have been allocated to Toraighyrov University, this also includes TOU grants for those who have served.</p>
