UMN at a Glance

Universitas Multimedia Nusantara (UMN) is a leading institution in Greater Jakarta, Indonesia, known for its eco-friendly campus and commitment to sustainability and innovation. With a 5-Star QS Rating in teaching, employability, online learning, and inclusiveness, UMN delivers high-quality education that prepares students for future success.

Vision

To be a leading university in the field of ICT, both nationally and internationally, producing highly competent, internationally-minded graduates with entrepreneurial spirit and strong character.

Mission

Actively contributing to the intellectual development and the advancement of the nation's welfare through the implementation of higher education by carrying out the Tridarma of Higher Education (Education, Research, and Community Service) to improve the quality of Indonesia's human resources.

Awards & Recognition

#1 Most Sustainable Private University in Greater Jakarta

#128 in the world

#451-460 ASIA

#78 South-Eastern Asia

Times Higher Education
Impact Rankings

#801-1000 World Rank
